Bournville Infant Dance and Gymnastic Classes

Stardust Dance Academy are pleased to be able to offer you the chance to join our extra curricular dance and gym clubs, which are held in your school hall, before school at 8am on Mondays (gym) Fridays (dance). The clubs are open to children in Reception and years 1,2, 3 and 4.

In dance club, you will learn modern, pop dances in fun and friendly sessions. You will learn the core skills that dancers require, including working on strength, flexibility, technique and self-confidence. Dancers have the opportunity to perform in our annual shows, as well as performances in London. Ask last years dancers about the shows that they performed in! The clubs are open to boys and girls with the focus being on "taking part" in the classes and getting fit in a supportive environment, so feel free to either come along to have fun or take it to the performance level. In gym club you will learn how to warm up and stretch, do different exercises including hand stands, cartwheels, jumps and forward and backward rolls. You can get tips on doing the perfect handstand and other beginner gymnastic moves as well as learning beginning gymnastic positions or stances. You can also learn more advanced artistic gymnastic moves including eye-hand-coordination with ribbons and learn short routines. Please send your child in their school top with shorts, leggings or jogging bottoms and remember to send in their school trousers or skirts, so that they can get changed after their club! Children that attend from the junior school will be walked up.
