After School Dance Class at Kineton Green School

Stardust Dance Academy are pleased to be able to offer you the chance to join our extra curricular Dance club.

In dance club, you will learn modern, pop dances in fun and friendly sessions. You will learn the core skills that dancers require, including working on strength, flexibility, technique and self-confidence. Dancers have the opportunity to perform in our annual shows, as well as performances in London. Ask last years dancers about the shows that they performed in! The clubs are open to boys and girls with the focus being on “taking part” in the classes and getting fit in a supportive environment, so feel free to either come along to have fun or take it to the performance level.
